What our clients say

T-Mobile Netherlands
Boris Helleman - Marketing Manager

← "Together we have won 3 Effective Mobile Marketing Awards, including The Grand Prix Award for the ongoing, AI-powered CRM campaign solution. We have also launched the first mobile Augmented Reality Loyalty program in The Netherlands! Velti has the ability to drive cutting edge innovation into our services which helps us to stay number 1 within the customer satisfaction score."

Vodafone Germany
Christiane Vetten - Senior CVM Manager Prepaid

"I've been working with Germany's Velti team since the beginning. Whether it's all about Direct Marketing campaigns, execution or conceptual input, or even providing human resources, I must say that the spirit, the readiness to deliver and the quality of work is always fully convincing." →
